THIS MEETING IS AN OPPORTUNITY FOR YOUR INPUT:

- What streets and roads need to be bicycle-friendly?
- Where should there be on-road bike lanes, off-road trails, and/or other approaches?
- Where are the difficult or unsafe locations to bicycle?
- How can cycling be made safer for young people or novice cyclists?
- How can cycling for short trips, like running errands, shopping, or going to the park or playground be made more attractive?
