**Help set the course for
making Fairfax County a
bicycle-friendly
community!**

THIS MEETING IS AN OPPORTUNITY FOR YOUR INPUT:

- What streets and road need to be bicycle-friendly?
- Where should there be on-road bike lanes, off-road trails, and/or other approaches?
- Where are the difficult or unsafe locations to bicycle?
- How can cycling be made safer for young people or novice cyclists?
- How can cycling for short trips, like running errands, shopping, or going to the park or playground be made more attractive?

For the purpose of this project the County was divided into smaller areas that correspond with typical bike trip distances. Public meetings will be held in each of these planning areas in fall 2011 and spring 2012. For the dates and locations of these meetings, please visit the project website.
