

How I Get to School!

A Complete Streets Story

Toole
Design
Group

**Today I'm
riding in the
front of the
bike!**

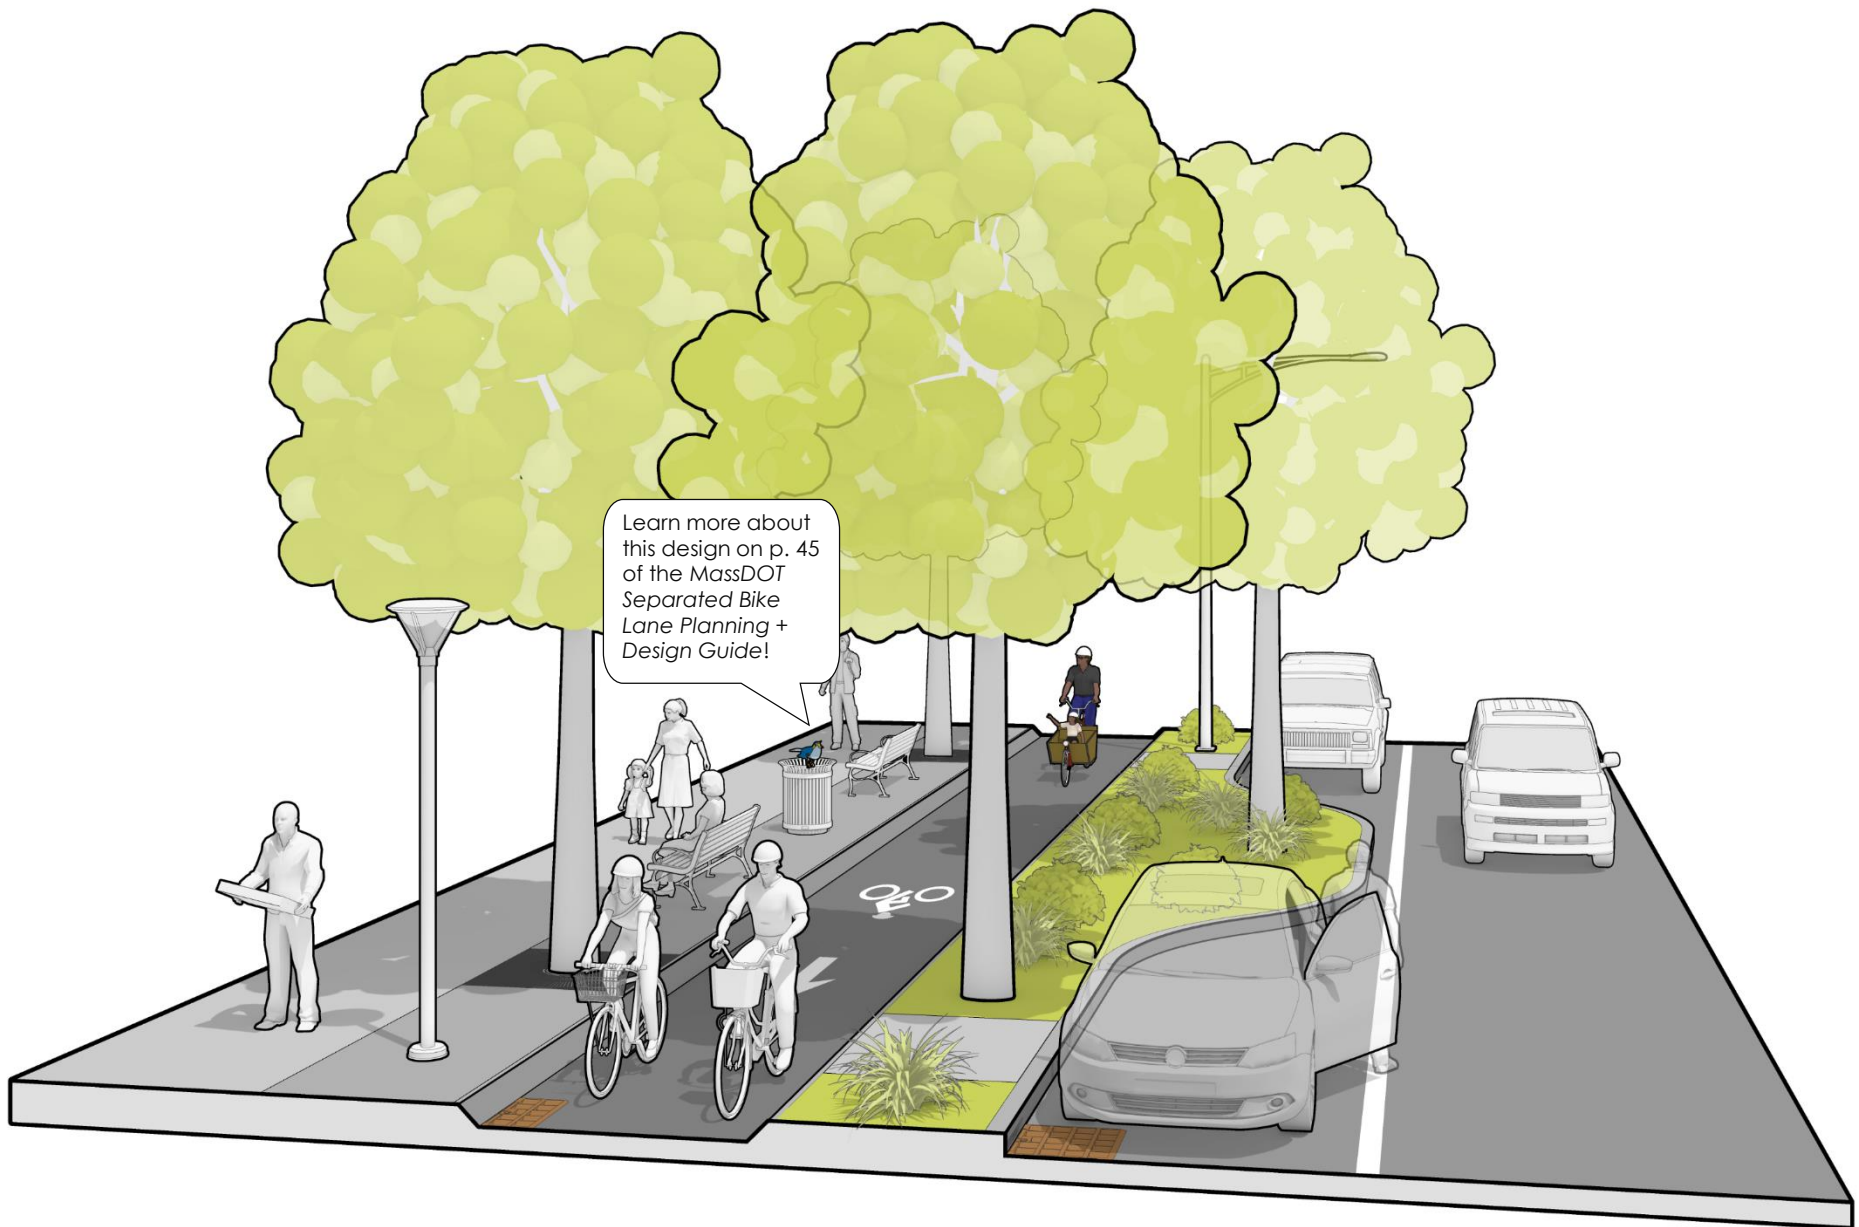

**We're going to school.
Thank goodness there are safe routes!**

Separated Bike
Lane Planning +
Design Guide!*

There's a nice park on the way and sometimes we stop and play. My teacher says that helps make me do better in school!

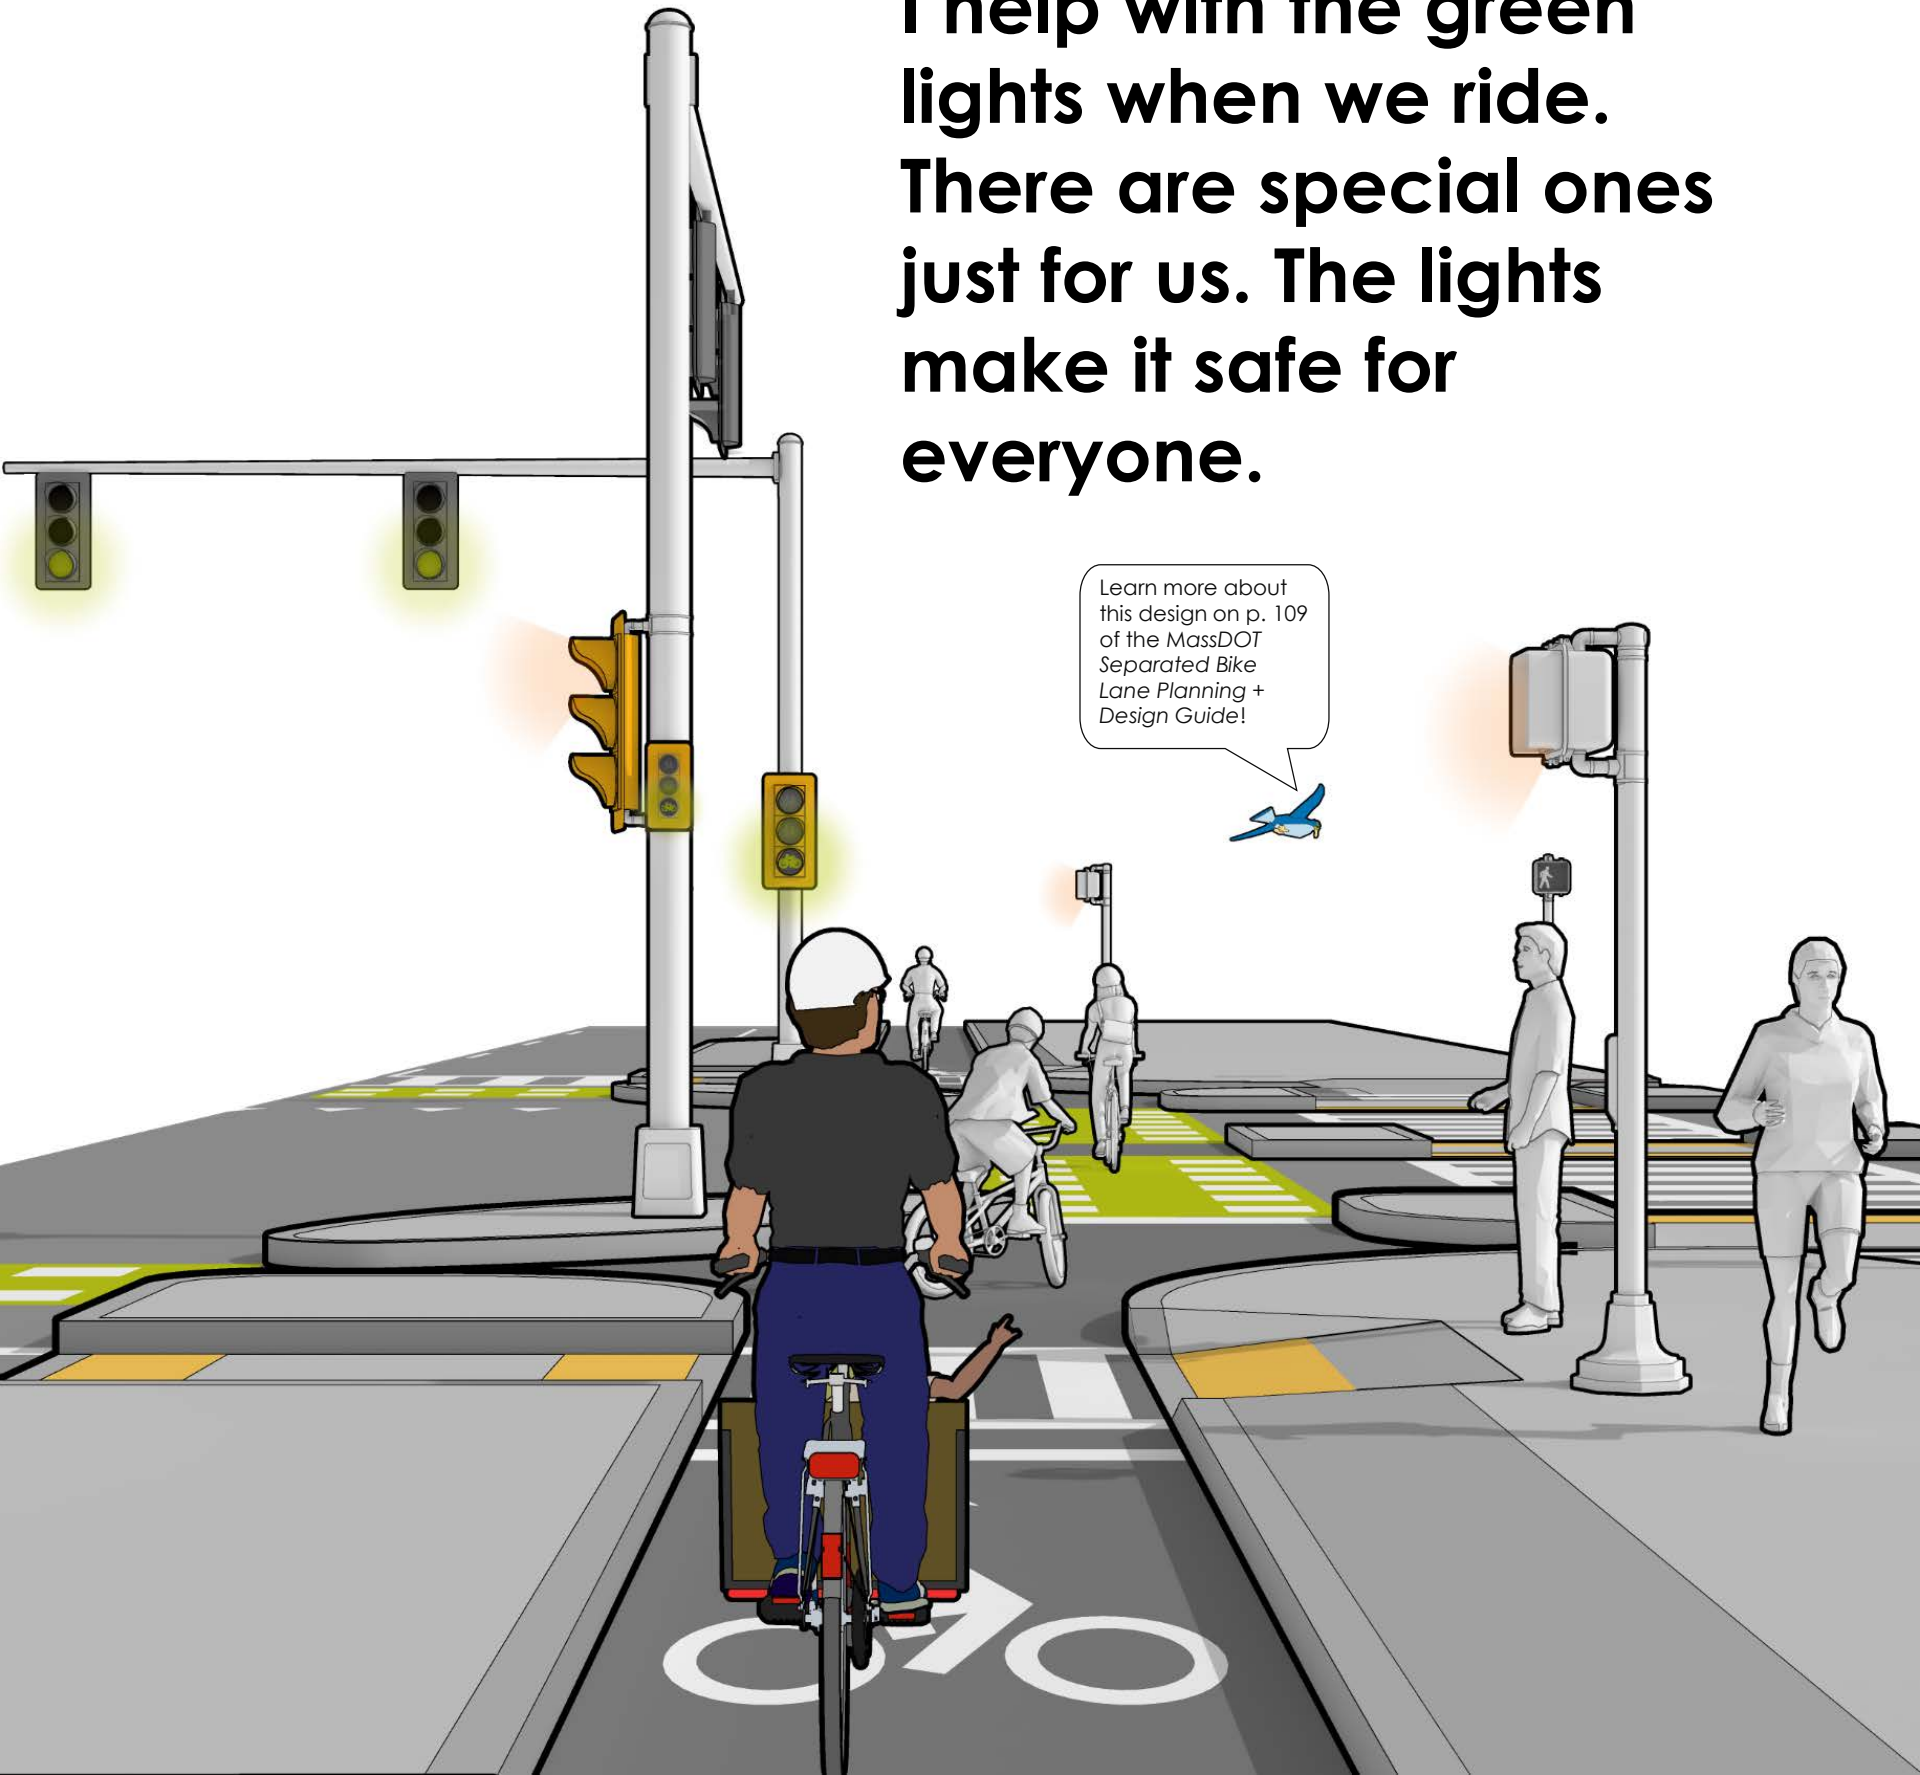

I like biking to school! There's so much to see and the breeze feels nice. I feel so free!

**Even when it's cold we
ride to school! Justin says
I'm strong and fearless.
I like Justin.**

Once we get there, I wave goodbye!

Can you get to school by bike?
